

Belmon

Forme dolcemente squadrate per un evergreen Meridiani: la profondità di seduta, volutamente ridotta, rende la collezione ideale per la conversazione. La linea comprende elementi modulari, chaise longue, dormeuse e poltrone in diverse dimensioni, oltre ad una versione divano-letto per la massima versatilità di utilizzo, senza rinunciare ad un'estetica raffinata.

Gently square shapes for a Meridiani evergreen, the seating depth of which, intentionally reduced, makes it perfect for conversation. This line includes modular units, chaise longue, dormeuse, armchairs in different sizes and one sofa bed, all of them may be customized in different ways without renouncing the refined aesthetic.
